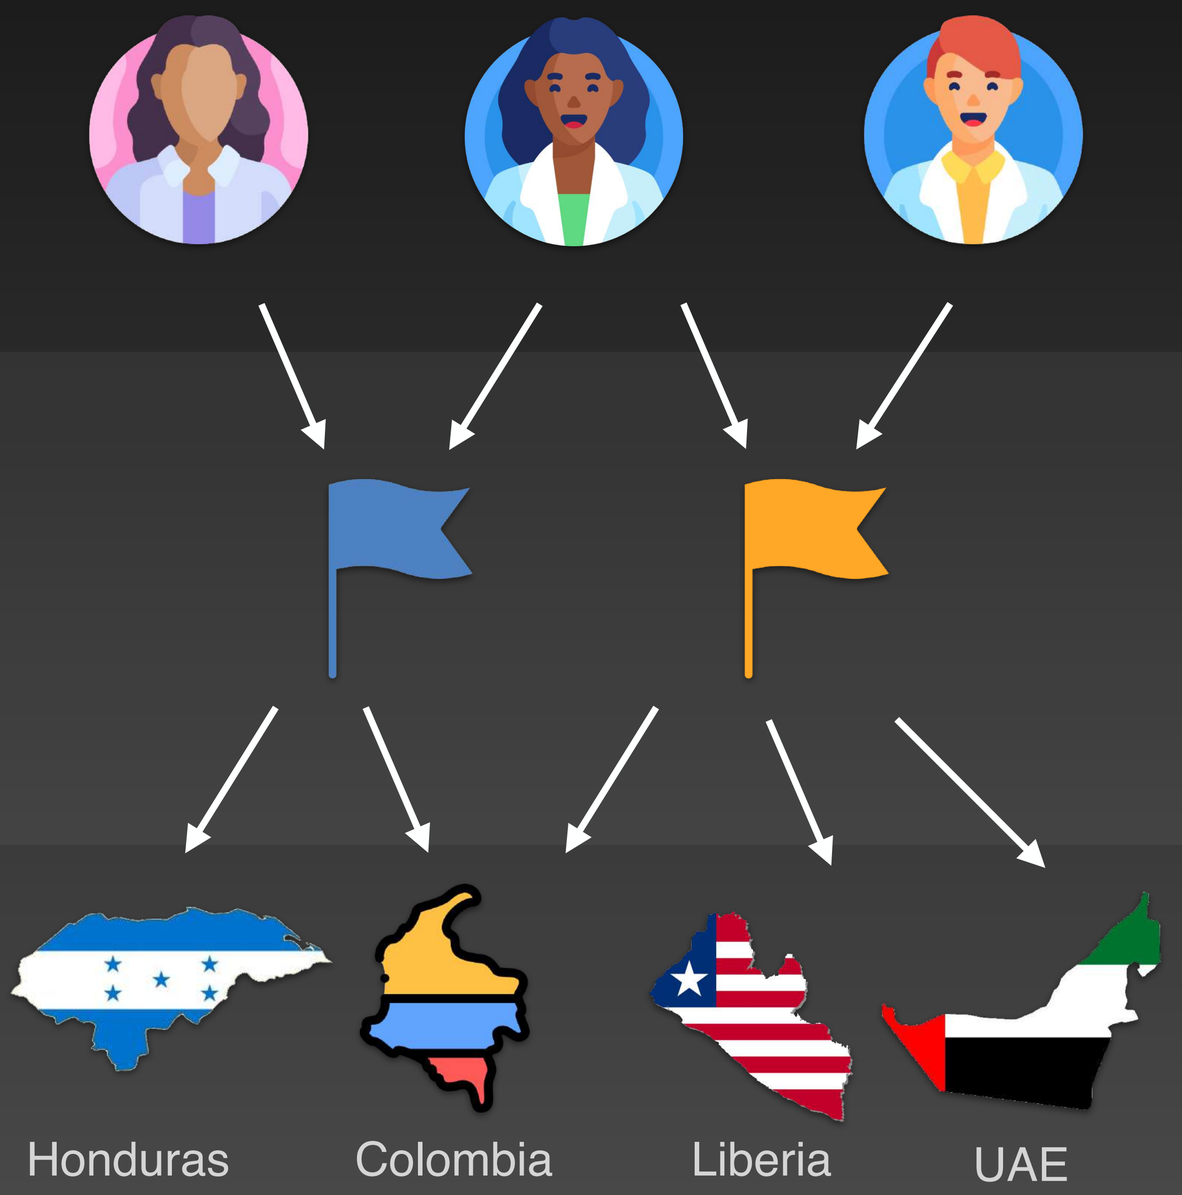
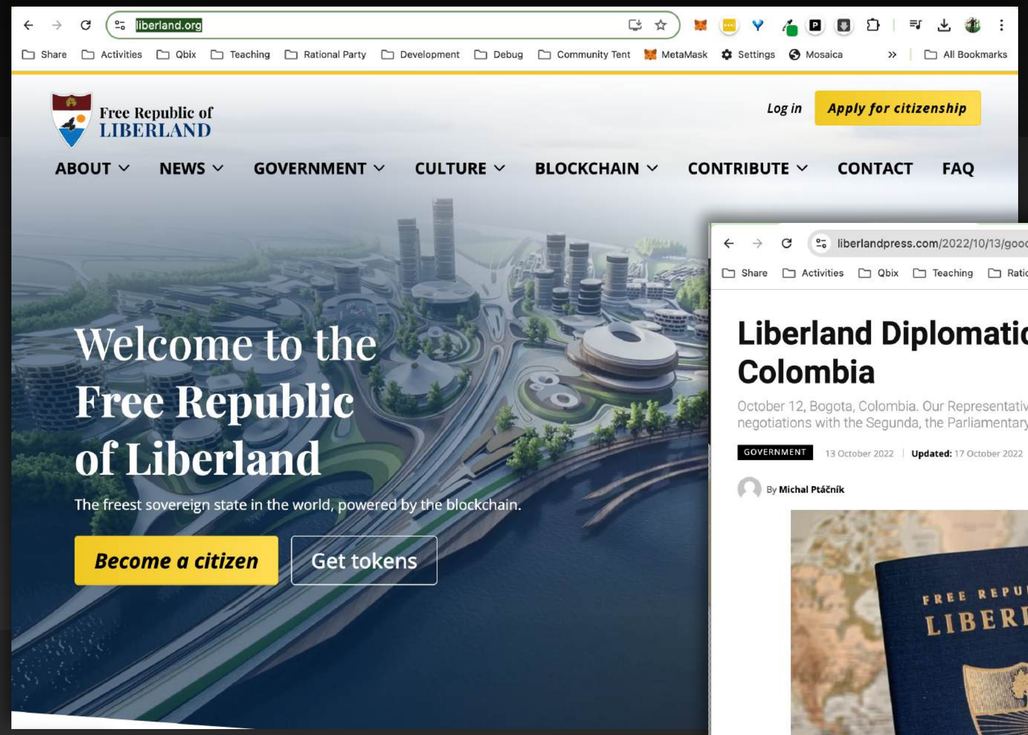
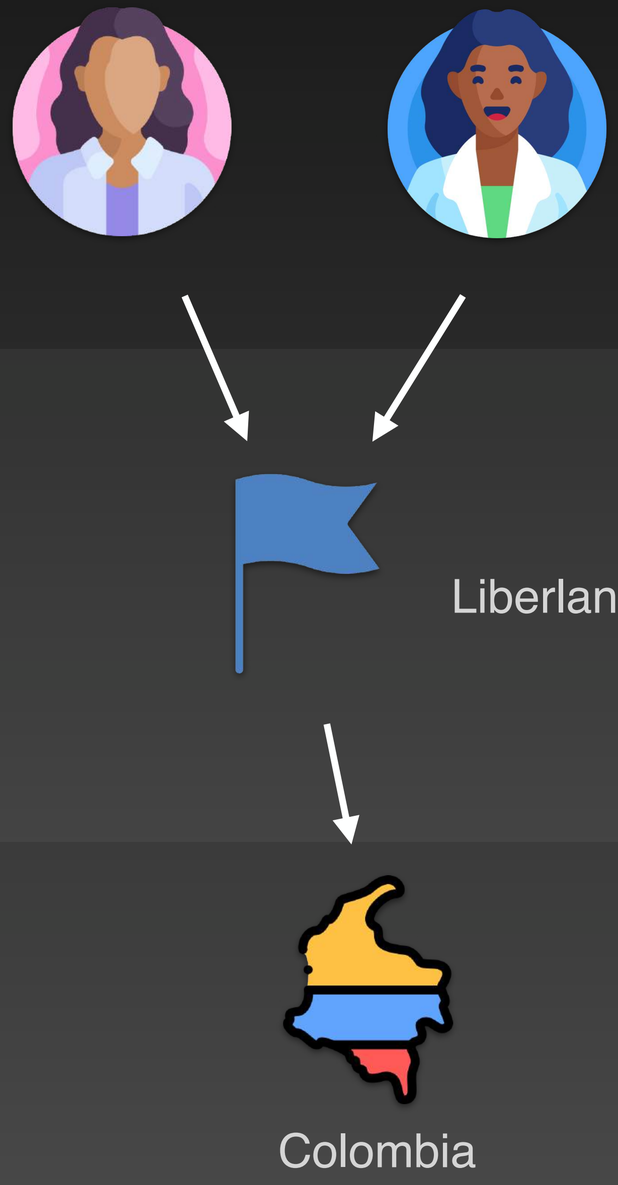
airports, businesses, physical infrastructure,
e-residency, corporate domiciling



Example: Liberland

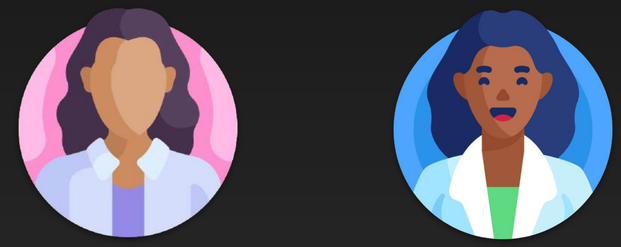


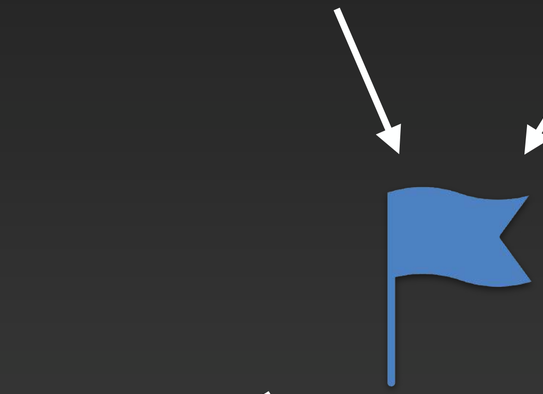


https://liberlandpress.com/2022/10/13/good-news-from-colombia

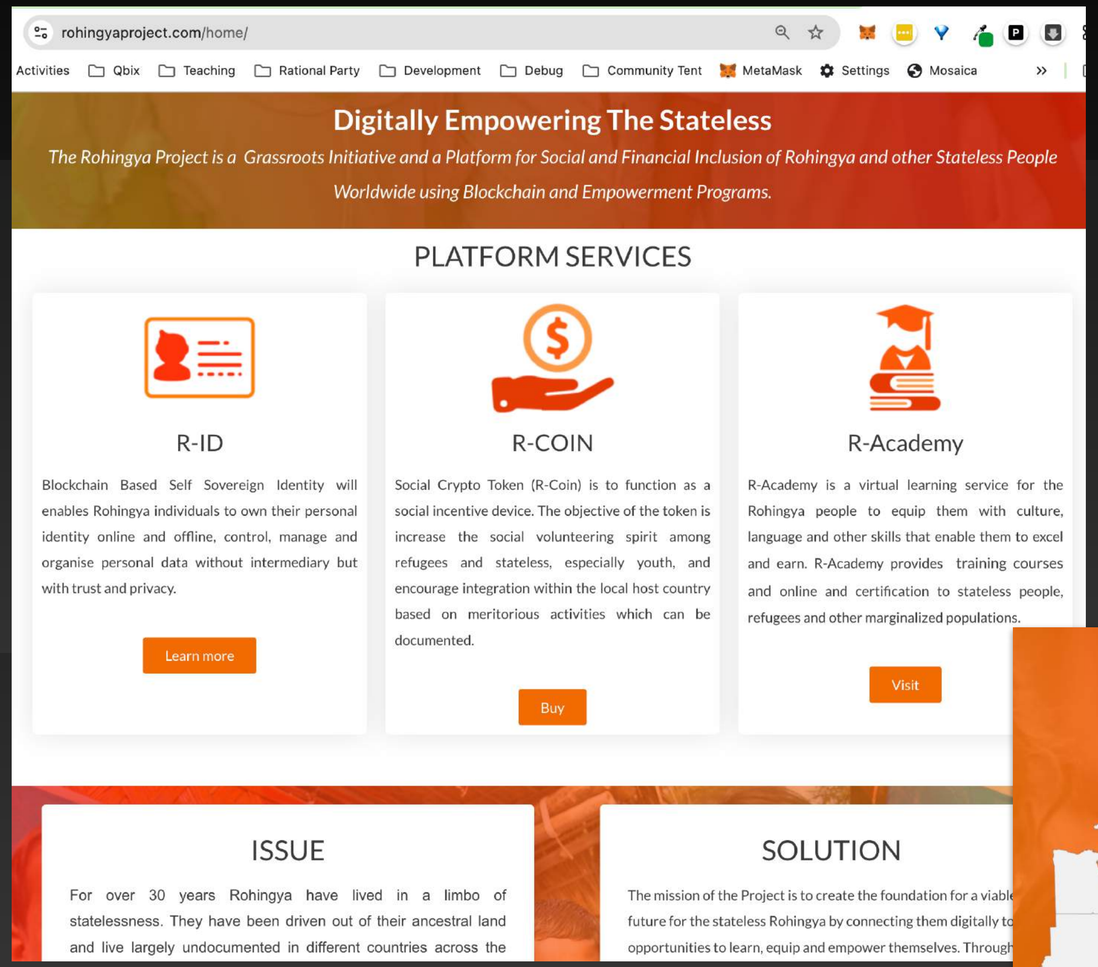
Mercosur

Mercosur operates on a one for all policy, wherein if a passport holder receives a visa or stamp from one member country, they are granted visa-free access to the other nations within the compact.

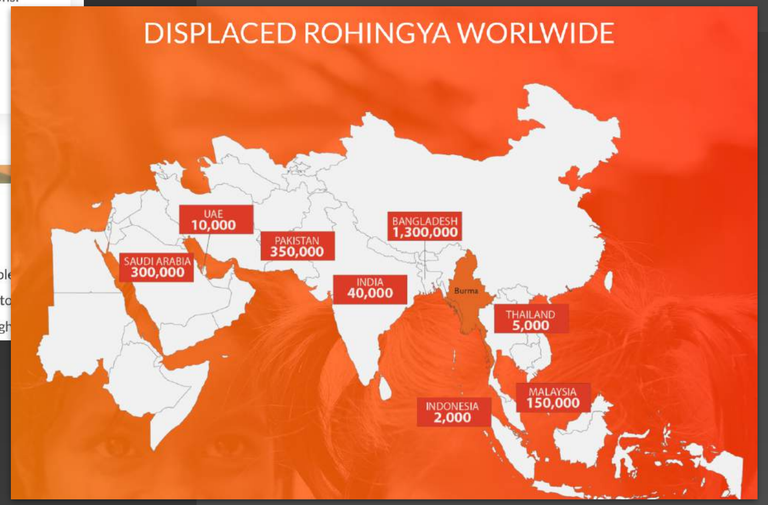


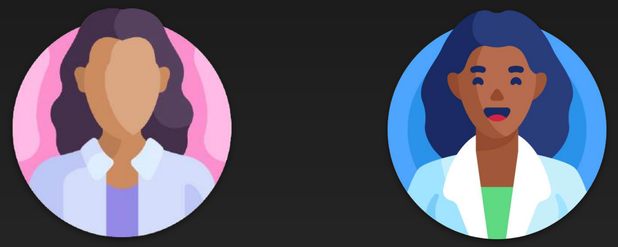


Example: Rohingya



https://rohingyaproject.com/home/



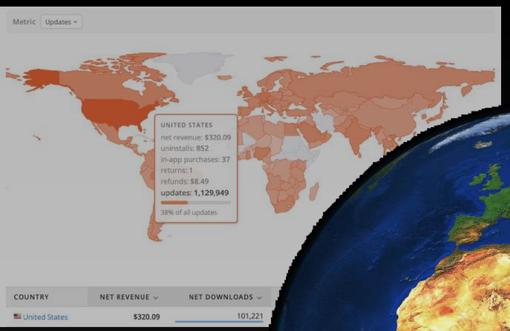


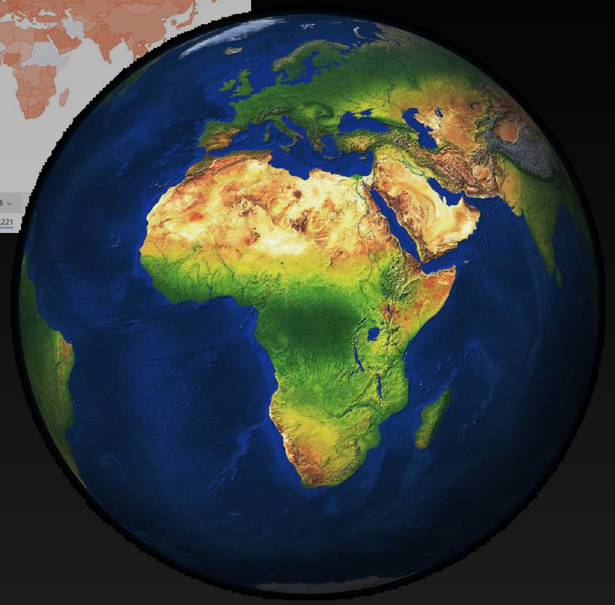
Rohingya

issues credentials
issues currency
to stateless people
crowdfunded by
direct donations

Liberia

issues visas,
visitors can
stay at hotels,
spend money
at local businesses

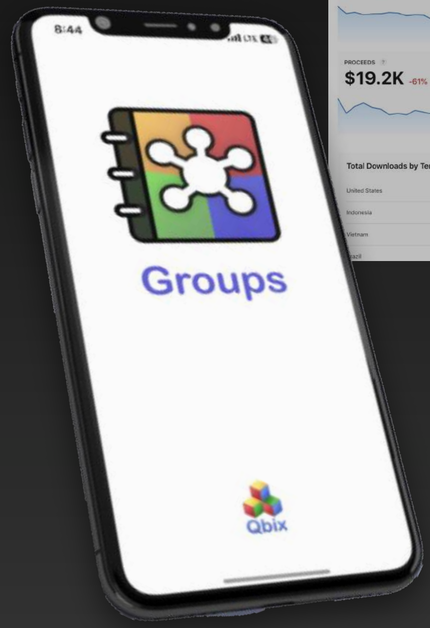


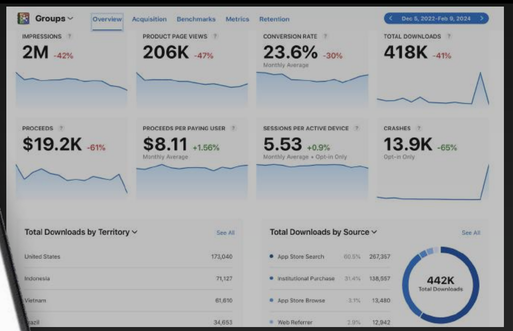


1 Million Leaders

community leaders in over 100 countries
use the Groups App to manage their members

Qbix





Groups App

helps community leaders
launch and grow network states
